The sooner, the better. OCIR had asked for all fact sheets by 9am, but I think there is wiggle room. Sorry for these last minute requests.

Hi all,  
Would you mind reviewing the highlighted language (with the comment bubble) in the attached ITC Fire fact sheet to ensure it is accurate and up to date? OCIR has requested all updated budget fact sheets back by 9am tomorrow. I apologize for the last minute request. Thank you in advance for your help!
